Strictly Swing Contests – Sign up with your partner. We pick the music. Different skill levels are offered. Each is a separate contest. Couples will dance in heats for several short songs. If more than 15 couples enter a division there will be a preliminary contest followed by a final round. Judges will evaluate the couples based on their demonstration of good social dancing skills, timing, technique, connection, lead and follow, presentation and showmanship.

- Matching costumes and props are not allowed. Coordinating attire is acceptable.
- The same partners may not dance together in a Strictly Swing contest and a choreography contest.

- You may lead at one level and follow at the next higher or lower level.

- A Couple must enter the highest skill level either of them qualifies for based on WSDC points.

(6) Strictly Swing contests are offered.

- **Novice, Intermediate, Advanced:** For these divisions a couple must enter the highest level either partner qualifies for based on the WSDC points they have earned and the WSDC level criteria for Jack & Jill.

Choreography Contests – Bring your partner, your music and your dance routine. It’s all about the show! Routines are danced in a solo format. Dance order is chosen at random and posted prior to the division start time. Your music must be turned in to the contest DJ at the floor trial for your event. It must be a single file, clearly labeled on a USB thumb drive. Alternately, you can email the file to dave@dancejamproductions.com 24hrs in advance. If you need your music’s tempo altered, started in the middle of the track or an early fade out, please have someone edit your music in advance.

- Performance must be at least 2 minutes and no longer than 3 minutes.
- Choreographed entrances are counted towards the time limit.
- Costumes are encouraged. Props are not allowed.
- Lifts, drops, tricks and stunts are allowed but not required (Classic & Showcase have specific requirements)
- There are specific times scheduled for competitor floor trials listed on the schedule.
- You must turn in your music to the DJ no later than during the floor trial for your event.
- Restarts will only be allowed in cases of:
 1. Music malfunction/Technical problem.
 2. Wardrobe/Costume malfunction.
 3. Head Judge stops the couple.

Rising Star - This single division includes all styles of Swing: West Coast Swing, Lindy Hop, Hustle, Shag and Hand Dance or any other style of popular swing dance. It is for couples that have limited experience with choreography and do not yet want to compete against professionals. If either partner has previously placed 5th or higher at a NASDE Classic or Showcase contest they are no longer eligible to compete in Rising Star. If either partner has won the US Open Rising Star Division they are not eligible. A couple with a total of 10 first place wins together in Rising Star division must move up to an open level division. You may not enter Rising Star and Classic or Showcase at the same event.

WCS Rising Star Tour – This competition is part of the tour. There are additional rules for tour participation here: www.risingstartour.com/rules.html

ProAm Spotlight - This single division is offered for all styles of Swing: West Coast Swing, Lindy Hop, Hustle, Shag and Hand Dance or any other style of popular swing dance. Students enter with their teacher and perform a choreographed routine to music they choose.

Team Contest - At least 4 couples performing a choreographed swing routine.

ProAm Contests - Students enter with their teacher. For this contest, amateurs are defined as anyone who does not teach dancing on a regular, ongoing basis or earn a significant amount of income teaching or performing. A professional is defined as someone who earns a significant amount of income teaching or performing dance. Anyone who has previously competed in open or professional level competition must be considered a Pro for this purpose. Couples entering ProAm divisions must have a prior student/teacher relationship. Only the amateur is evaluated. Different skill

levels and 2 age-defined divisions are offered for both Leader and Follower roles. Each skill level and role is a separate contest.

All students will receive a customized plaque with a medal award. Placements 1st through 5th in each division and role will also be recognized. Couples dance in heats with multiple couples on the floor for about 1½ minutes of a song the DJ chooses for that division.

- A student may enter two adjacent skill levels in either or both roles.
- Matched costumes and props are not allowed. Coordinating attire is acceptable
- Couples must remain in contact unless executing a spin.
- No lifts, drops or partner supported moves allowed.
- No choreographed entrances or exits

(6) West Coast Swing ProAm contests are offered.

- **Newcomer/Novice** - This division is for students with less than 3 years total dance experience and limited previous competition success. Students are expected to perform solid basics. Limited variations are allowed but not required. No leans, drops, or breakaways are allowed. All material should be recognizable as familiar, common “leadable” social patterns.
- **Intermediate** - This division is for students with significant prior competition and or dance experience. Students are expected to perform clean basics with variations and musicality. Judges will consider musical interpretation, showmanship and creativity.

Jack & Jill Contests – Enter as an individual. Dance with a randomly chosen partner. The DJ picks the music. There are contests for many skill levels. Onsite registration for all Jack & Jill is limited. There are strict entry deadlines published in advance. You must enter before the deadline. Jack & Jill contests allow individuals to enter without a partner and demonstrate skills in spontaneous dancing with a variety of partners. There is an inherent “luck of the draw” factor involved. Leaders and followers are randomly paired. There will be several partner changes during the preliminary and semi-final rounds. Competitors are scored individually on timing, technique and teamwork in the preliminary heats. Those scoring the highest will be called back later to dance in a final round. In the final, individuals are randomly paired, then scored as a couple. The DJ picks the music. Tempo and style will vary. All songs will be appropriate for the dance division entered. There are significant cash prizes awarded to the winners. The amounts are based on the number of entries in each division.

- You may only enter 1 level of Jack & Jill (sophisticated, Masters excluded).
- You must be at least 15 years old

West Coast Swing Jack & Jill Levels - The (WSDC) World Swing Dance Council Points Registry is used to determine eligibility for the West Coast Swing Jack & Jill skill levels. Current WSDC registry points information is available on the World Swing Dance Council www.worldsdc.com.

Petitions: A competitor with exceptional circumstances may petition to dance in a division other than that indicated by the rules below by petitioning. Scan the QR code, then follow the instructions to initiate a new petition or via bit.do/DJP-petition no less than 24 hours before the competition begins. Dancing in the wrong division without a successful prior petition may incur disqualification. Competitors are expected to read the rules and place themselves in the correct division. Questions should be directed to the chief judge contests@dancejamproductions.com

Relative Placement Scoring This system used to determine winners in final rounds. It was adapted from the figure skating system and is now widely used at major dance competitions. It minimizes the impact of a rouge judge's mark and recognizes the most consistently scored entry. An equal numerical value is assigned to each Judge's raw scores, so that each Judge has an equal vote in the final outcome. A very detailed explanation of this system with examples can be found here: http://www.swingdancecouncil.com/library/relativeplacement_5_1_10.pdf
