You may lead at one skill level and follow at the next higher or lower level; you may not enter two skill levels dancing the same role; you may not enter the same level twice in the same role.
- **Open:** If either partner has 45 or more advanced level point or any recent Allstar, Champion or Invitational WSDC points they must compete in this division.

You may also enter a Strictly Swing contest at the appropriate skill level, and may enter both age divisions, with the same or different partners. Sophisticated (35+): Both partners must be 35 years of age or older. Masters (50+): Both partners must be 50 years of age or older.

Choreography Contests – Bring your partner, your music and your dance routine. It's all about the show! Routines are danced in a solo format. It must be a single file, clearly labeled on a USB thumb drive. Alternately, you can email the file to dave@dancejamproductions.com 24hrs in advance. If you need your music's tempo altered, started in the middle of the track or an early fade out, please have someone edit your music in advance.

- Performance must be at least 2 minutes and no longer than 3 minutes.
- Choreographed entrances are counted towards the time limit.
- Costumes are encouraged. Props are not allowed.
- Lifts, drops, tricks and stunts are allowed but not required (Classic & Showcase have specific requirements)
- There are specific times scheduled for competitor floor trials listed on the schedule.
- You must turn in your music to the DJ no later than during the floor trial for your event.

You may not enter Rising Star and Classic or Showcase at the same event.

WCS Rising Star Tour – This competition is part of the tour. There are additional rules for tour participation here: www.risingstartour.com/rules.html

ProAm Spotlight – Students enter with their teacher and perform a choreographed routine to music they choose. See “student” and “professional” definitions under ProAm Contests for eligibility requirements. Three divisions are offered: ProAm Leader, ProAm Follower, or a non-competitive exhibition division.

ProAm Contests - Students enter with their teacher. For this contest, amateurs are defined as anyone who does not teach West Coast Swing on a regular, ongoing basis or earn a significant amount of income teaching or performing. A professional is defined as someone who earns a significant amount of income teaching or performing West Coast Swing. Anyone who has previously competed in open or professional level West Coast Swing competition must be considered a Pro for this purpose.

ProAm Strictly - Couples entering **ProAm strictly swing** divisions must have a prior student/teacher relationship. Students enter with their teacher. Only the amateur is evaluated. Couples dance in heats with multiple couples on the floor for about 1½ minutes of a song the DJ chooses for that division.

- A student may enter two adjacent skill levels in either or both roles.
- Matched costumes and props are not allowed. Coordinating attire is acceptable
- Couples must remain in contact unless executing a spin.
- No lifts, drops or partner supported moves allowed.
- No choreographed entrances or exits
- Each pro is limited to a maximum of 5 entries per ProAm Strictly division.

(2) West Coast Swing ProAm Strictly contests are offered.

- Newcomer/Novice - This division is for students with limited previous competition success. Students are expected to perform solid basics. Limited variations are allowed but not required. No leans, drops, or breakaways are allowed. All material should be recognizable as familiar, common “leadable” social patterns.
- Intermediate - This division is for students with significant prior competition and or dance experience. Students are expected to perform clean basics with variations and musicality. Judges will consider musical interpretation, showmanship and creativity.

ProAm Jack & Jill – Enter as an individual. Dance with at least one randomly chosen professional or allstar partner. The DJ picks the music. Jack & Jill contests allow individuals to enter without a partner and demonstrate skills in spontaneous dancing.

(2) West Coast Swing ProAm Jack & Jill contest levels are offered. You may only enter one division of ProAm Jack & Jill. Students should use WSDC JJ rules (see below) as guidelines for which level to enter. Individuals with 30 or more intermediate points or any advanced points are not eligible.

- Newcomer/Novice
- Intermediate

Jack & Jill Contests – Enter as an individual. Dance with a randomly chosen partner. The DJ picks the music. There are contests for many skill levels. Onsite registration for all Jack & Jill is limited. There are strict entry deadlines. Jack & Jill contests allow individuals to enter without a partner and demonstrate skills in spontaneous dancing with a variety of partners. There is an inherent “luck of the draw” factor involved. Leaders and followers are randomly paired. There will be several partner changes during the preliminary and semi-final rounds. Competitors are scored individually on timing, technique and teamwork in the preliminary heats. Those scoring the highest will be called back to dance in the next round. In the final round, individuals are randomly paired, then scored as a couple. The DJ picks the music. Tempo and style will vary. All songs will be appropriate for the dance division entered. There are significant cash prizes awarded to the winners in Novice and above in amounts based on the number of entries.

- You may only enter 1 **skill level** of Jack & Jill and 1 level of ProAM Jack & Jill.
- Switch It Up, Sophisticated & Masters are not skill level divisions.
- You must be at least 15 years old.

West Coast Swing Jack & Jill Levels - The (WSDC) World Swing Dance Council Points Registry is used to determine eligibility for the West Coast Swing Jack & Jill skill levels. Relative Placement Scoring This system used to determine winners in final rounds. It was adapted from the figure skating system and is now widely used at major dance competitions. It minimizes the impact of a rogue judge's mark and recognizes the most consistently scored entry. An equal numerical value is assigned to each Judge's raw scores, so that each Judge has an equal vote in the final outcome. A very detailed explanation of this system with examples can be found here: http://www.swingdancecouncil.com/library/relativeplacement_5_1_10.pdf
