

WELCOME TO SWING FLING!

We are excited to share this experience with you! Here are some tips & reminders:

- You need your wristband all weekend to get into the event space. Don't take it off!
- Tables are labeled to help you find people from your local area or other special groups such as "newcomers." Seating is shared and may not be reserved; please keep belongings off the chairs. You are welcome to sit on the dance floor or stand during performances for the best views. Carpeted areas must remain clear for traffic flow.
- Workshop presenters will invite participants to record a brief summary for personal use only at the end of each class. Video recording is also welcome during all contests. If you share contest videos online, please tag "Swing Fling 2019" in the description. Social dancing should be recorded only sparingly and with willing participants; please ask for permission from the dancers shown before posting social dance videos online.
- Please be prompt for workshops. To ensure the best experience for all, late entry is not allowed.
- Hotel policy prohibits outside food or beverages in the ballroom. No tripods or extension cords in the ballroom.
- Lost & Found items will be held at the registration desk through 5pm Sunday. After that contact hotel directly.
- Private Lessons - A list of pro staff available for private lessons is posted here: <http://bit.do/SF2019teachers>
